# ARX SIMPLE RULES OF RACING

1. Ride classes and practice sessions that are appropriate for your bike, your age and your ability level only. If you are new to our club, just ask and we will be happy to help you.
2. The Rider's Meeting is mandatory (and fun).
3. Exercise good judgement and "track manners." Full contact or aggressive riding will not be tolerated. You may also be asked to leave, without a refund.
4. Motorcycle racing is inherently dangerous. Minimize the risk whenever possible. If you fall, or your bike breaks, move it and yourself off the track, and away from racers.
5. Sign up closes at 8:45am. Rider's meeting starts at 8:45. Practice starts at 9:00. First race starts at 10:00. We are done by 1:00. If you are not signed up by 8:45 you cannot practice. If you do not practice, you cannot race. There are no refunds after the Rider's Meeting. Sorry, no exceptions.
6. If you are not officially entered to race, you cannot ride a motorcycle (including pit bikes). If the facility has a separate riding area, you must be outfitted with the proper safety equipment. **Helmets and 5 mph in the pit area are mandatory.**
7. If you are racing, make sure you have contrasting numbers to the background on all three number plates, or you may not be scored.
8. When the last moto is over, the racetrack is closed. Do not enter the racetrack on a motorcycle for any reason. Stay off the racetrack. Only participants and staff are allowed beyond the perimeter fence. If you fall or your bike stops running, move it and yourself off the track.
